C/O BRISTOL COUNTY HOF

**Release Notification**

Upon review of your case, Immigration and Customs Enforcement (ICE) has concluded that you may be released from ICE custody pending your removal from the United States. This release does not effect your removal order and does not constitute an admission to the United States.

Your release will be subject to certain written conditions that will be provided to you shortly, and by which you must abide. A violation of one of more of these conditions, or of any local, state or federal law may result in your being taken back into custody and any bond which you may have posted being forfeited. Your release from custody is also conditioned upon your maintaining proper behavior while sponsorship and placement efforts for you are being undertaken.

Prior to your release from custody, a ICE officer will verify the sponsorship or employment offers presented during your review. Please forward any additional information regarding potential sponsoring family members or non-governmental organizations who may be willing to assist you upon release.

It is particularly important that you keep the ICE advised of your address at all times. We will continue to make efforts to obtain your travel document that will allow the United States government to carry out your removal pursuant to your order of deportation, exclusion, or removal. In addition, you are required by law to continue to make good faith efforts to secure a travel document on your own. Once a travel document is obtained, you will be required to surrender to the ICE for removal. You will, at that time, be given an opportunity to prepare for an orderly departure.
